A search of the vehicles status on the Nairobi City County digital parking system showed that the vehicle was not booked on 18th September 2024 for non-payment hence the justification for the bribe demand. One of the officers demanded the money and received it as a bribe because he did not issue a receipt for the money.

On 12th March, 2025, a report was compiled and forwarded to the Director of Public Prosecutions (DPP) with recommendations to charge the two officers each with two counts of receiving a bribe contrary to Section 6 (1) as read with section 18 of the Anti-Bribery Act 2023.

The Commission is awaiting the DPP's response.
