THE ETHICS AND ANTI-CORRUPTION COMMISSION  
THE 3RD QUARTERLY REPORT COVERING THE PERIOD FROM 1ST JULY, 2025 TO 30TH SEPTEMBER, 2025*Preamble*

The Ethics and Anti-Corruption Commission (the Commission) is required under section 36 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA), to prepare quarterly reports setting out the number of reports made to the Director of Public Prosecutions (DPP) in line with section 35 of the ACECA, 2003 as read with section 11 (1) (d) of the Ethics and Anti-Corruption Commission Act, 2011, (EACCA).

Section 36 of ACECA provides that:

1. The Commission shall prepare quarterly reports setting out the number of reports made to the DPP in line with section 35 and such other statistical information relating to those reports, as the Commission considers appropriate.

2. A quarterly report shall indicate if a recommendation of the Commission to prosecute a person for corruption or economic crime was accepted or not accepted.

3. The Commission shall give a copy of each quarterly report to the Attorney General.

4. The Attorney General shall lay a copy of each quarterly report before the National Assembly.

5. The Commission shall cause each quarterly report to be published in the Gazette.

This report is therefore made pursuant to section 36 of the ACECA. The report covers the 3rd Quarter and is for the period commencing 1st July 2025 to 30th September 2025.

## INVESTIGATION REPORTS COVERING THE PERIOD FROM 1ST JULY 2025 TO 30TH SEPTEMBER 2025.

## 1. EACC/BGM/FI/INQ/05C/2019

*Inquiry into Allegations of Embezzlement of Public Funds by the Governor of the County Government of Bungoma and Other Public Officers at the Roads, Infrastructure and Public Works Department at the County Government of Bungoma Amounting to KSh. 70,205,882/=.*

The Commission received a report of an allegation that the Governor of the County Government of Bungoma had used various proxy companies to embezzle KSh. 231,626,545/= from various departments within the County Government of Bungoma between 2017/2018 and 2021/2022 FYs.

Investigations established that six (6) companies that traded with the County Government of Bungoma were irregularly awarded tenders between the 2018/2019 and 2020/2021 financial years for the maintenance of various roads under the Department of Roads and Infrastructure. It was established that the companies were incorporated between 2017 and 2019 during the tenure of the then Governor, indicating that they lacked the requisite experience and technical capacity to execute the road construction works awarded. Further, investigations established that the companies submitted falsified documents purporting to show experience and evidence of previous similar works in order to influence the tender award process.

Investigations further established that, although the six companies had different directors on record, all their contracts were signed by an employee of Nabwala Construction Limited, a company owned by the former Governor's brothers. It was also established that the same employee from Nabwala Construction Limited supervised the implementation of the road projects using equipment belonging to Nabwala Construction Limited.

Additionally, investigations established that out of the six companies, five (5) received a total of KSh. 70,205,882 from the County Government of Bungoma for the said contracts between the 2018/2019 and 2020/2021 Financial Years. Out of this amount, KSh. 37,608,000/= was transferred to Nabwala Construction Company Limited, owned by the former Governor's brothers. Investigations therefore established that the former Governor's family and close associates were the ultimate beneficiaries of the irregularly awarded contracts.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 17th July 2025, with recommendations to charge the Governor, Chief Officer Department of Roads and Infrastructure, Head of Procurement, Head of Department of Roads, Messrs. Nabwala Construction Limited, Messrs. Nabweso Builders Limited, Messrs. Valeria Construction Limited, Messrs. Mundesi Contractors, Messrs. Kelco Builders Limited, Messrs. Fastec Suppliers Limited and Messrs. Nasikhab Builders Limited with the following offences:

*Allegation of Irregular Procurement of Medical Insurance Cover for Public Officers by the County Government of Laikipia in the Financial Year 2017/2018*

The Commission received allegation that the County Government of Laikipia awarded tender no LCG/B11/F/2017-2018 for provision of Medical Insurance for Public Officers without following the requisite procedure. That the agreement was signed on 26th December 2017 at a cost of KSh. 112,266,998 between Madison Insurance Company and the County but the debit invoice by Madison Insurance was dated 11th December 2017.

Investigations established that the medical insurance cover for public officers was duly budgeted and planned for in the approved budget and procurement plan for the financial year 2017/2018. The Department of Public Administration initiated the procurement process by making a requisition for the provision of medical services for public officers. The tender attracted eleven (11) bids, and upon evaluation, the contract was awarded to Madison Insurance Company, which emerged as the successful bidder.

Investigations further established that on 26th December 2017, the County Government of Laikipia entered into a contract with Madison Insurance Company at a contract sum of KSh. 112,266,998=,. Madison Insurance subsequently issued the County with a Health Insurance Policy outlining the scope of services to be provided and raised an invoice dated 11th November 2017 seeking payment of the said amount. It was established that the County made no payment prior to the signing of the contract. The first instalment of KSh. 50,000,000/= was paid on 10th January 2018, and the balance was settled on 29th March 2018, all within the contract period.

Investigations, however, established a procedural lapse regarding the delivery of regret letters to unsuccessful bidders. While the County indicated that the letters were dispatched to the unsuccessful bidders and file copies retained and availed, dispatch register/record could not be traced.

A report was forwarded to the Director of Public Prosecutions (DPP) on 9th July 2025, with recommendations that an advisory be issued to the County Government of Laikipia to ensure compliance with the law in regard to notifying the unsuccessful bidders on the outcome of the evaluation exercises and award of tenders. In addition, an advisory should be issued to the said County in relation to section 68 of the Public Procurement and Asset Disposal Act, 2015, that requires the County to keep procurement records for at least six years.

The DPP returned the inquiry file on 26th August, 2025 concurring with the Commission's recommendation to close the inquiry file. Further, the DPP directed that an advisory be issued to the said County to ensure proper record keeping.

*Inquiry into Allegations of Procurement Irregularities at Moi University through Award of Tender No. Mu/Ont/13/2023-2024 for the Proposed Construction of Library Phase II at Annex Campus (Builders Work-Main Contractor) to Dinesh Construction Limited at a Contract Sum of Kes. 1,110,321,795/= and Its Sub-Contractors Under Tender Numbers Mu/Ont/16/2023-2024, Mu/Ont/17/2023-2024 & Mu/Ont/18/2023-2024.*

The Commission received a complaint on 26th June 2024 on the allegations of procurement irregularities in the award of tender Number MU/ONT/13/2023-2024 for the construction of the proposed library phase II at the Annex Campus (Builders' Works)-", by officials of Moi University during the 2023/2024 FY.

Investigations established that the initial project for the construction of the Moi University Annex Campus School of Law Library was a duly authorized and properly budgeted project valued at KSh. 311 million for the 2019/2020 financial year. The Ministry of Education and the National Treasury disbursed KSh. 239 million towards its implementation, resulting in the project's successful completion within that fiscal year. The remaining balance of KSh. 70 million was later released for the finalization of the same project as initially planned.

However, investigations established that the University diverted the KSh. 70 million to commence a new and unapproved project, being the construction of a building for the School of Business and Economics, which it misleadingly referred to as "the proposed Library Phase II." The University advertised the project as tender No. MU/ONT/13/2023-2024 and awarded it to Dinesh Construction Limited. Additionally, three subcontracts were irregularly issued for electrical, plumbing, and mechanical works under tender numbers MU/ONT/16/2023-2024, MU/ONT/17/2023-2024, and MU/ONT/18/2023-2024 respectively.

Investigations further established that the so-called "Library Phase II" was a new and independent project that had not been planned, approved, or budgeted for. There was no project code, concept note, feasibility study, or authorization from Parliament or the National Treasury. It was also established that the project was tendered and initiated without an approved budget, prior planning, and lacked both internal financial clearance from the University Council, and external authorisation from the National Treasury.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 9th July 2025, with recommendations to charge the Vice Chancellor and the Head of Procurement with the following offences;

- i. Four (4) counts of engaging in a project without prior planning contrary to section 45 (2) (c) as read with section 48 of the Anti-Corruption and Economic Crimes Act.
- ii. Twelve (12) counts of wilful failure to follow procurement laws contrary to section 45 (2) (c) as read with section 48 of the Anti-Corruption and Economic Crimes Act.
- iii. Five (5) counts of knowingly commencing a procurement process without a budget contrary to section 53 (9) as read with section 171 of the Public Procurement and Asset Disposal Act, 2015.

The DPP returned the inquiry file on 6th October 2025, with recommendations for further investigations.

*Inquiry into Allegation of Irregular Award of Tender for Construction of Offices for Mcas at a Cost of KSh. 348,927,840.00, by the County Government of Homa Bay.*

The Ethics and Anti-Corruption Commission commenced investigations following anonymous report received on 26th February, 2020, that the County Assembly of Homa Bay irregularly awarded a tender for construction of the Homa Bay Members of County Assembly (MCA's) offices at a cost of KSh. 348 million. It was also reported that two employees of the Homa Bay County Government owned the company that was contracted.

Investigations established that in the Financial Year 2018/2019, the County Assembly of Homa Bay budgeted for the construction of Members of County Assembly (MCA) offices. The project was subsequently included in the 2019/2020 Medium-Term Expenditure Framework (MTEF) Budget Estimates at KSh. 80,000,000, and projected in the 2020/2021 to 2021/2022 financial years at KSh. 82,692,000, KSh. 85,173,000, and KSh. 107,207,000 respectively, bringing the total projected allocation to KSh. 350,355,800. Investigations further established that the tender for the proposed construction of the County Assembly Office Block (Tender No. HBCA/T/W6/2018-2019) was advertised on 12th June 2019 in the *Standard* newspaper and the Public Procurement Information Portal.

However, the procurement process was marred by irregularities during the evaluation and award stages, leading to the contract being awarded at KSh. 348,927,840/=, which was KSh. 238,110/= higher than the contractor's original bid price.

Investigations also established that following the execution of the contract, the site was handed over on 6th August 2019, and construction commenced on land with unclear ownership. Prior to this, on 6th May 2019, the County Executive Committee Member for Lands and Housing had written to the Clerk of the County Assembly conveying approval by the County Executive Committee to proceed with the construction. However, on 14th August 2019, the County Director of Housing wrote to the County Commissioner raising concern over illegal construction on a restricted area. Due to the ensuing land dispute, works stalled shortly after the first interim payment was processed. Despite the stalling, a payment voucher (Serial No. 1308) dated 24th June 2020 for KSh. 26,945,136.19 was prepared and later paid on 13th July 2021.

Further investigations established that the payment certificate dated 22nd March 2021, prepared by the Quantity Surveyor, indicated works valued at approximately KSh. 66,714,925/=, covering preliminaries, builders' works, and materials. However, an independent technical evaluation conducted on 22nd December 2021 by a team of experts, including an architect, structural engineer, and quantity surveyor, determined that the actual cumulative value of

works and materials on site was only KSh. 30,444,892.46. This revealed an overpayment of KSh. 36,270,032.68 to the contractor, Hartland Enterprises Limited. Investigations further established that the company's directors were employees of the Homa Bay County Government.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 12th August 2025, with recommendations to charge the Clerk of the County Assembly, Quantity Surveyor and Messrs. Hartland Enterprises Limited with the following offences:-

- i. Four counts of abuse of office contrary to section 46 as read with section 48 of ACECA.
- ii. Two counts of wilful failure to comply with laws and regulations applicable to management of public funds contrary to section 45 (2) (b) as read with section 48 of the Anti-Corruption and Economic Crimes Act;
- iii. One count of conflict of interest contrary to section 42 (3) as read with section 48 of the Anti-Corruption and Economic Crimes Act; and
- iv. One count of unlawful acquisition of public property contrary to section 45 (1) (a) as read with section 48 the Anti-Corruption and Economic Crimes Act.

The Commission is awaiting the DPP's response.

Investigations revealed that the said companies traded with KeRRA, the institutions he was overseeing and which were reporting to the said Committee, and was awarded twenty two tenders totalling to KSh. 91,720620.24. Further investigations revealed that the said suspect failed to declare conflict when overseeing the two institutions at the Senate.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 29th September 2025, with recommendations to charge the Governor, Messrs. Lub Plus Oil & Energy Company Limited, Messrs. King Realtors Limited, Messrs. Quickfix Auto Garage Limited and Messrs. King Construction Company Limited with the following offences:

*Inquiry into Allegations of Procurement Irregularities in the Award of Tender No. Cgk/Rpwte/Dev/33/2020-2021- Proposed Construction of Paiti Bridge in Kajiado South Sub-County to Span Products Limited by the Kajiado County Government During the Financial Years 2020/2021-2021/2022.*

The Commission received a complaint on an allegation that the County Government of Kajiado irregularly awarded tender No. CGK/RPWTE/DEV/33/2020-2021 for the proposed construction of Paiti Bridge in Kajiado South Sub-County to Span Products Limited at a cost of KSh. 112,234,408/= during the financial years 2020/2021.

Investigations established that Span Products Limited was the only company whose bid was received and subsequently awarded the tender. The said company sub-contracted the works in whole to Hudgens Construction Limited at a cost of KSh. 80M. Investigations revealed that Hudgens Construction Limited, subsequently engaged Ellipsoid Consultants Limited at a cost of KSh. 3M. Ellipsoid Consultants Limited constructed the Paiti Bridge. Investigations established that upon completion, the said bridge was commissioned on 19th February 2022 and collapsed 2 days later.

The National Construction Authority report concluded that the possible cause of the collapse of the bridge was inadequate geotechnical investigations and hydrological surveys of the site before the construction commenced, and failure to engage requisite professionals in the project.

Investigations further established that the Director of the company awarded the tender for the proposed construction of Paiti Bridge in Kajiado South Sub-County, is an uncle to the Chief Officer for the Department of Roads at the County Government of Kajiado. The Chief Officer executed the contract between the County and the company and did not declare the conflict of interest as was required.

*Inquiry into Allegations of Tax Evasion by the Officials of Kenya Revenue Authority (Kra), Kenya Wildlife Service (Kws) and Kenya Forest Service (Kfs) in Irregular Release of Container No. Tcku 3954702 at Kilindini Port Mombasa*

The Commission received a complaint on an allegation that a truck registration number KAQ 064T carrying a container No. TCKU 3954702 loaded with sandalwood was impounded in Malaba while on transit to Uganda. Further, that it was suspected that the alleged

importer had not obtained a permit from KWS as required under the provisions of the Wildlife Conservation and Management Act, 2013.

Investigations established that a container was shipped from Noumea, New Caledonia and discharged at the Port of Mombasa while on transit through Malaba, Kenya, to Kampala, Uganda. The consignee was Skybeam Africa Limited, a company based in Uganda. The Kenyan law enforcement officers intercepted and detained the consignment at the Kilindini Police Station Yard, where a verification conducted by a multi-agency team established that the container held 8,645 kilograms of sandalwood.

Investigations further established that the consignee formally requested the Kenya Wildlife Service (KWS) to facilitate the release of the container for onward delivery to Tororo, Uganda. Subsequently, the Assistant Director of the Coast Conservation Area (KWS), informed the Port Security Committee that there was no objection to the release.

Investigations further established that the Kenya Forest Service (KFS) also raised no objection to the release. Further, the documentation provided showed that the sandalwood was not listed under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). A second verification was conducted by representatives from the multi-agency team and the clearing agent. The report generated confirmed that the container's contents were sandalwood not listed under CITES and recommended its clearance. However, the Kenya Revenue Authority (KRA) Customs Services Department detained the container again in Malaba. A subsequent stakeholders' meeting reviewed the matter and resolved unanimously that there was no objection to releasing the consignment.

Investigations also established that during the detention period, the consignee, dissatisfied with the prolonged delay, filed Civil Suit No. 354 of 2016 seeking orders for the immediate release of the goods. The Office of the Attorney General and the Director of Public Prosecutions obtained a consent order for the unconditional release of the consignment. Further verification by the CITES Management Authority in Uganda confirmed that the sandalwood specimens were not listed as endangered and therefore could legally enter Uganda. Consequently, the container was released and allowed to continue in transit to its final destination in Tororo, Uganda.

A report was forwarded to the Director of Public Prosecutions (DPP) on 9th July 2025, with recommendations to close the inquiry file with no further action.

*Inquiry into Allegations of Procurement Irregularities and Illegality in the Award and Execution of the Tender for Erection and Completion of Twin Workshops Complex at Matili Technical Training Institute Awarded to Ramagon Construction Company Limited at KSh. 29,311,659 Varied to KSh. 58,997,852 in the Financial Year 2010/2011.*

The Commission commenced investigations following a complaint received in June 2024. It was alleged that a contract awarded to Messrs. Ramagon Construction Company Limited for the erection and completion of a Twin Complex at Matili Technical Training Institute in the Financial Year 2010/2011 was irregularly varied from a contract sum of KSh.29,311,659 to KSh. 58,997,852.

Investigation established that the Ministry of Higher Education, Science and Technology under the Economic Stimulus Implementation Programme Phase II funded the construction of the workshop at Matili Technical Institute. The Ministry advertised the project and seven (7) firms responded among them Ramagon Construction Company Limited, which was awarded as the contractor. Investigations also established that the project was implemented through three contracts, all awarded to the said contractor;

- (a) Contract Ref MOHEST/001/2020-2011 (Matili I) for construction of Mechanical Workshop (awarded via open tender) at a contract sum of KSh. 29,311,659.64. The contract was later irregularly varied to KSh. 44,731,914/= without the Tender Committee's approval. The variation amounted to 52.6%, which was beyond the legal threshold of

25% provided for under section 31 of the Public Procurement and Disposal Act, No. 3 of 2005.

- (b) Contract Ref MOHEST/002/2020-2011 (Matili II ) for construction of Machine Engineering Workshop (awarded via direct procurement) at a contract sum of KSh. 6,228,460/=.
- (c) Contract ref MTI/MOHEST/2/2020-2011 (Matili II B) for construction of Machine Engineering Workshop phase IIB (awarded via direct procurement) at a contract sum of KSh. 12,003,042. The contract was later varied to KSh. 15,328,149.52 without the approval of the Tender Committee, which was a 27.7% variation, contrary to the legal threshold of 25% provided for under section 31 of the Public Procurement and Disposal Act, No. 3 of 2005.

Further, investigations established that at the time of handing over, the contractor had been paid a sum of KSh. 48,173,804.45, leaving an outstanding balance of KSh. 11,331,305.35. It was also established that between 2016 and 2017, the contractor was paid an additional sum of KSh. 9,071,000/=, leaving a balance of KSh. 2,260,305.35.

However in 2020, the contractor sued Matili Technical Training Institute in Civil Case No. 239 of 2020 before Bungoma Magistrates Court for an alleged outstanding balance of KSh. 9,071,698.24. The court entered judgment in favour of the contractor for KSh. 17,522,175.97, being the principal sum plus interest. Investigations revealed that pursuant to the court judgment the Institute has paid the contractor KSh. 750,000=/. Further, a valuation undertaken on the project revealed that there was an overpayment of KSh. 22,038,736.18 to the Contractor.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 12th August 2025, with recommendations to charge the Project Management Team Members and Messrs. Ramagon Construction Company Limited with the following offences:

- i. Two counts of conspiracy to commit an offence of corruption/an economic crime contrary to section 47 (A) (3) as read with section 48 of the Anti-Corruption And Economic Crimes Act;
- ii. One count of abuse of office contrary to section 46 as read with section 48 of the Anti-Corruption And Economic Crimes Act;
- iii. One count of fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 of the Anti-Corruption And Economic Crimes Act; and
- iv. One count of unlawful acquisition of public property contrary to section 45 (1) (a) as read with section 48 of the Anti-Corruption And Economic Crimes Act.

*Inquiry into Allegations that the Officials of West Kano Irrigation Scheme Embezzled over KSh. 100 Million Advanced by the Kenya Government from 2003 to 2015.*

The Commission investigated a complaint that three officials of West Kano Irrigation Scheme embezzled public funds released to the scheme by Government through the Ministry of Agriculture/Irrigation under the Economic Stimulus Program (ESP). It was further alleged that in 2009 the Government released KSh. 64 million to revive the project and in 2013 it released KSh. 18 million and the officials cannot account for about KSh. 100 million.

Investigations established that the Economic Stimulus Programme (ESP), aimed at increasing the availability of maize and rice in the National Irrigation Schemes, was introduced in 2009 by the then Minister for Finance. The programme manual indicated that implementation was to take place within six months, from 1st July to 31st December 2009, at a total cost of KSh. 22 billion, covering seven sectors including Agriculture, Water, Irrigation, Regional Development, and Youth Affairs, under which the West Kano Scheme was identified and budgeted for. The lead implementing agencies were the Ministry of Agriculture, Ministry of Water and Irrigation, Ministry of Regional Development, and Ministry of Youth Affairs. At the time, the West Kano Scheme operated under the National Irrigation Board (NIB), now known as the National Irrigation Authority (NIA). Funds were to be released by the Treasury to the respective ministries, which

would in turn disburse them to the implementing institutions quarterly, based on approved work plans and budgets.

The total cost of production under the project was KSh. 68,211,240, of which KSh. 54,331,938 was utilized by the NIB Nairobi and Ahero offices. Although the funds were initially offered as a grant, the Project Steering Committee resolved to establish a farmers' revolving fund to promote sustainability of production and operational activities within the scheme. The fund was intended to serve as a recovery mechanism to ensure continuity beyond the stimulus period. However, efforts by the West Kano Farmers Revolving Fund officials to recover the monies advanced to farmers were unsuccessful, and records indicate that as of 15th March 2014, farmers owed the Fund a total of KSh. 57,214,756.

Further investigations revealed that the custodian of key project documents, who served as secretary, passed away, leading to the loss of crucial records. Additionally, documents related to KSh. 18 million transferred by the Ministry of Cooperatives could not be traced due to multiple institutional restructurings since 2012, which saw the Ministry alternating between a State Department and a component of the Ministry of Trade. These transitions disrupted record management and resulted in the loss of the project's paper trail. It was also noted that the National Irrigation Board transitioned to the National Irrigation Authority following the enactment of the Irrigation Act, 2019. The evidence was not sufficient to sustain any criminal charges.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 5th September 2025 with recommendations to close the file due to insufficient evidence.

The Commission is awaiting the DPP's response.

*Inquiry into Allegations of Procurement Irregularities and Bribery against the Ccem, Finance and Chief Finance Officer, Samburu County Government in the Award of Tender No. Scg/T/057/2022-2023 for Provision of Staff Medical Insurance Cover to Trident Insurance Company Worth KSh. 149,000,000/= by the Samburu County Government*

The Commission commenced investigations following a report on procurement irregularities in the award of Tender No. SCG/T/57/2022/2023 for the provision of medical insurance cover to Trident Insurance Company by the Samburu County Government. It was alleged that officials of the County Government received a bribe of KSh. 20,000,000= to irregularly award the tender to Trident Insurance Company, despite the company's failure to meet the mandatory technical requirements stipulated in the tender documents.

Investigations established that the procurement for provision of medical insurance cover was planned and budgeted for in the FY 2022/23. Six bids were submitted and processed. Due diligence was also conducted resulting in an award to Trident Insurance Company at a contract price of KSh. 149,630,188=/. A contract was entered into between Trident and the Samburu County Government.

It was further established that as per the evaluation report, Britam General Insurance was ranked first; Jubilee Health Insurance Company was ranked second; and Trident Insurance was ranked third. Nonetheless, the evaluation committee in its report recommended the award of the tender to Trident Insurance Company without any explanation as to why they did not recommend the award to Britam who were ranked first.

The Ag. Head of Supply Chain Management in his professional opinion to the Chief Officer advised that the tender be awarded to Trident Insurance Company on the basis that Jubilee's bid document had date errors. Further, that Britam was a former service provider, and that the Samburu County Government was not satisfied with their service delivery. It was noted that the form of tender for Trident Insurance Company also had date errors but still was awarded the tender unlike Jubilee that was eliminated on similar ground. Trident Insurance Company was paid for this service. The insurance company was therefore irregularly awarded the said tender.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) on 5th September 2025 with recommendations to charge the Tender Evaluation Committee, the Ag. Head of Supply Chain Management, the Chief Officer Finance, Messrs. Trident Investment Limited and Messrs. Trident Insurance Limited with the following offences;

- i. Three counts of wilful failure to comply with applicable procedures and guidelines relating to procurement contrary to section 45 (2) (b) as read with section 48 of the Anti-Corruption And Economic Crimes Act;
- ii. One count of abuse of office contrary to section 46 as read with section 48 of the Anti-Corruption And Economic Crimes Act;
- iii. One count of unlawful acquisition of public property contrary to section 45 (1) (a) as read with section 48 of the Anti-Corruption And Economic Crimes Act.

The Commission is awaiting the DPP's response.

*Inquiry into Allegations of Procurement Irregularities Where Kenya Maritime Authority (Kma) Is Alleged to Have Engaged External Law Firm M/S Robson Harris and Company Advocate and Irregularly Made Payment Amounting to KSh. 4,344,000 to the Said Law Firm.*

The Commission commenced investigations following a report that the Kenya Maritime Authority (KMA) had made irregular payments totaling KSh. 4,344,000 to a law firm without obtaining prior authorization from the Office of the Attorney General (AG), as required for all institutions engaging external legal service providers.

Investigations established that KMA had included legal services in its approved 2017/2018 Annual Procurement Plan, and that five law firms were duly pre-qualified and issued with notification letters for the provision of such services. Subsequently, KMA entered into Service Level Agreements (SLAs) with the five firms.

Further investigations revealed that in 2018, after KMA commenced the process of recruiting a Director General and shortlisted candidates for interviews two Petitions were filed in court, both in Mombasa and in Nairobi, halting the process. KMA Board of Directors authorized the management to engage external counsel to handle the two matters. Following the Board's approval, the Corporation Secretary and Head of Legal Services selected one firm from the list of pre-qualified law firms. The appointed firm subsequently issued two fee notes relating to the two Petitions, both of which were paid.

Investigations, however, established that the Corporation Secretary did not invite at least three pre-qualified firms to submit bids for the legal services, contrary to procurement procedures. Additionally, the payments were processed without the requisite Payment Voucher, in contravention of the KMA Finance Manual. It was also established that the funds were paid directly from the bank by the then KMA Acting Director General and the Head of Commercial Shipping. The issue of payment was raised before the KMA Audit and Risk Assurance Committee, which recommended to the Board of Directors that the officers involved in irregular procurement and payment be surcharged.

A report was compiled and forwarded to the Director of Public Prosecutions (DPP) On 29th September 2025, recommending that the Audit and Risk Committee's resolution be upheld and an advisory be issued to KMA on the need to strictly adhere to the procurement laws and finance manuals.

The Commission is awaiting the DPP's response.

The Commission commenced investigations following a report on abuse of office against officials of the Kenya Deposit Insurance Corporation (KIDC) with respect to recovery of a loan of KSh. 92M advanced by Imperial Bank Limited, now under liquidation, to Vipingo Business Park EPZ Limited.

Investigations established that Vipingo Business Park EPZ Limited sought and obtained a loan facility of \$USD 525,000 (KSh. 54,145,725/=) from Imperial Bank Limited.
